Following comments were received from Prof. R. K. Tripathi, Professor, Department of Electrical Engineering on 10.11.2017 and Prof. R. P. Singh, Chairman, SUGC and Professor, Department of Civil Engineering on 14.11.2017 on the Item No. 59.05 (xviii).

Item No. 59.05 (xviii) : To consider the recommendations of the Chairman, SUGC.

Resolution

The recommendation of Chairman, SUGC on the request of Mr. Ravi Ranjan Kumar (20106057) for granting permission to take Mid-Semester Examination on the sympathetic ground and one-year extension to the programme was considered by the Senate. Since there is no provision for re-examination in the Ordinances for Bachelor Programme, the matter was turned down by the Senate.

Comments/Observations:

(i) Prof. R. K. Tripathi:

"Please take the reference of the item no 59.05 (xviii) of the senate meeting: It appears that there are two requests by the student (Ravi Ranjan Kumar 20106056), one regarding re-conduct of mid-sem exam-which was turned down by the senate and other regarding one year extension. I think decision of senate needs to be recorded properly in light of SUGC minutes."

(ii) Prof. R. P. Singh:

"As per minutes of 59th senate meeting circulated above, please do the necessary correction under Agenda Resolution No. 59.05 (xviii), please remove "**and one year extension to the programme**" as the student Mr. Ravi Ranjan Kumar (20106057) has already been granted one year extension by standing committee in its meeting dated 18.08.2017 and approved by chairman senate On 25.08.2017 vide resolution no. 03.

The same be incorporated in the final minutes of senate meeting."
