WELCOME TO ICGGE-2019

Organizing Committee of this Conference invites all individuals and organization engaged in Geotechnical and Geo-Environmental work to share their experiences and research work at the Indian Conference ICGEE-2019.

ABOUT ALLAHABAD

The city of Allahabad is among the largest cities of Uttar Pradesh. It is situated at the confluence of three rivers Ganga, Yamuna and the mythological Saraswati. The sacred meeting point is known as *Sangam*. Allahabad city is well connected via Air, Rail and Road routes with major cities of India. Kumbh Mela will be held at Allahabad between 15 January 2019 to 4 March 2019. This will be added advantage for delegates to visit **Kumbh Mela 2019**.

MNNIT ALLAHABAD

Motilal Nehru National Institute of Technology Allahabad, Allahabad (MNNIT) is an Institute with total commitment to quality and excellence in academic pursuits. It was established in the year 1961 as a joint enterprise of Government of India and Government of Uttar Pradesh as MNREC, and was an associated college of University of Allahabad. On June 26, 2002 MNREC was transformed into National Institute of Technology fully funded by Government of India. The Institute has been granted the status of institution of national importance w.e.f. 15th August 2007.

DEPARTMENT OF CIVIL ENGINEERING

The Institute had begun with offering Bachelor Degree Programmes in Civil Engineering. The Civil Engineering Department offers a Bachelor of Technology and four regular post graduate courses in Structural, Geotechnical, Environmental and Environmental Geotechnology Engineering. It also offers part-time course for in-service engineers in above mentioned specialization. The Department is also a recognized QIP (Quality Improvement Program) Centre for post graduate studies. Department also offers PhD Programme in above specialization. The course curriculum is up-to-date which cover both traditional and recent developments. Department also provides research and consultancy services to government/non-government organizations.
