Motilal Nehru National Institute of
Technology Allahabad
Allahabad-211004, Uttar Pradesh, India

INTRODUCTION

It is imminent that a congenial and healthy environment prevails at work place so that all members of the organization whether men or women feel safe, secure and respected. Modern society is passing through a transition where women are breaking the proverbial glass ceiling to make a mark in all fields of life and profession. MNNIT Allahabad is committed to the cause of providing all its members an equitable and just work life. A workshop is being organized to reinforce the doctrines of respect for women and their aspirations. Furthermore, to apprise the male members the desirable form of interactions including the legal aspects.

Experts are being invited from industry and academics to deliberate on the related issues. As a first workshop, it is expected to be attended by all the faculty members and support staff of the Institute, to fulfill the mandate of the Government.

THE INSTITUTE

Motilal Nehru National Institute of Technology (MNNIT) Allahabad is one of the premier National Institute of Technology (NIT) in India. It is committed to achieve quality and excellence in academic pursuits. Established in 1961, as a Regional Engineering College, a joint enterprise of Government of India (GOI) and Government of Uttar Pradesh, the institute was transformed into NIT on June 26, 2002. With the enactment of NIT Act-2007, the Institute has been granted the status of institution of national importance w.e.f. August 15, 2007.

The Institute now offers various undergraduate and postgraduate courses such as B.Tech., M.Tech., MCA, MBA, M.Sc., M.S.W and Ph.D. degree. It has been recognized by GOI as one of the Quality Improvement Programme (QIP) centres for the M.Tech. and Ph.D. Degrees.

WOMEN ADVISORY CELL

Women Advisory Cell has been constituted in accordance with the guideline issued by Government of India to consider complains related to any sexual discrimination/ harassment of woman in the Institute. At Motilal Nehru National Institute of Technology Allahabad, various measures are taken to ensure a congenial environment where everyone feels comfortable to perform without any kind of discrimination.

REGISTRATION

The workshop is being organised as a mandate under the law and there is no registration fee for participation. All the faculty members and support staff of the Institute are invited to attend the same and get the benefit of greater awareness about gender sensitivity at the work place and avoid any conflict of interest.

External participants may also attend the workshop on basis of nomination from parent institution and by paying a nominal fee of Rs 500 per participant on the day of Workshop.

Detailed programme of the workshop shall be uploaded shortly.
