**An Appeal to all Outgoing Final Year Students**

This appeal is being made to all outgoing final year students of the Institute who use bi-cycles to commute in the Institute campus. You are aware that many final year students generally abandon their bi-cycles in their hostels while leaving the Institute. Huge heaps of bi-cycles can be found in every hostel.

Therefore, a humble request is being made to all outgoing final year students that **please don't dump your bi-cycles in the hostels, but try to donate it to a needy junior student.** If you are unable to get any needy student, you may deposit your cycle in the office of Dean (Student Welfare). This office will keep a record of the deposited bi-cycles and will hand over it to the needy students of the Institute after proper advertisement.

The names of the students who donate their bi-cycles to the Dean (Student Welfare) office will be displayed on the Institute website for their kind and helping gesture.
