Preamble

The institute has started the online classes for odd semester 2020-21. The meritorious students of first year have an option for branch sliding in the third semester. Few of the students are interested in re-appearing physically in the end semester (Even) examination 2019-20 to improve their grades, so that they can take advantage in branch sliding as a process of natural justice and their rights. It is worth mentioning here the process of branch sliding will be carried out before September 10, 2010 which is a month away from commencement of classes.
The committee took the cognigence of the judgment of Supreme court relating to conduct of entrance examination of **NEET** and **JEE** Main 2020wherein comments "careers can't be put in jeopardy' The **Supreme Court** of India dismissed a plea seeking the postponement of **JEE** Main and **NEET 2020** entrance examinations scheduled to be held in September"
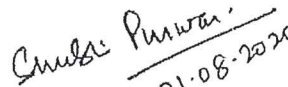

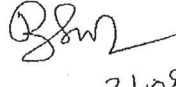

Recommendations

Based on above facts, the recommendation based on deliberation of the committee is given below:
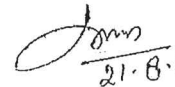

If the UG/PG students are not satisfied with the evaluation scheme followed for declaring the result of Even Semester 2019-20 and would like to appear physically in the written examination in the Institute, then the committee in view of above preamble recommends the following:

1. The student appearing for written examination will have to appear for all the courses (regular & back papers) of Even Semester 2019-20/ supplementary 2020.
2. The result of this written examination will be final for the students appearing in this examination. The previously declared result will be automatically become null and ~~vide~~. Void
3. The process of written examinations and declaration of result may be completed before 10.09.2020.

Subject: Relaxation in course completion to candidates taking admission in PG/Ph.D. courses (2020-21)

The admission process for different PG and Ph.D. programs is under process for academic session (2020-21). Admission cell has received many queries regarding the delay in the course completion due to current Covid-19 pandemic situations. As per the ordinances for Master's and Doctoral programs, Clause 3.4;8; Admission procedure, "the selected candidate, who has completed all the pre-requisite Examinations including Project/Thesis Examination and the Viva-voce before the date of registration but is unable to produce the certificate of proof of having passed and secured the minimum specified qualifying marks, shall be considered for provisional admission. However, if admitted provisionally, he/she shall be required to produce the evidence of his/her having passed the qualifying degree examination within six weeks from the last date of registration, failing which the admission shall automatically be cancelled".

In view of the above, the students who are not able to produce the course completion certificate due to pending examinations, may be allowed to register provisionally after submission of undertaking that they will produce all required documents before the end semester examination. Their admission shall be confirmed if they are able to fulfil the eligibility criteria as per the respective ordinances.

This is to bring to your kind notice that as per Academic Calendar the Avishkar + Gnosiomania 2020 is scheduled from September 10-13, 2020. However, the student representatives of Avishkar 2020 are requesting that Avishkar + Gnosiomania 2020 may be postponed to the end of October (may be from 31 October to 03 November). The main reason for their request is active placement session is starting in the first week of September. As you are aware that as a pre-activity of Avishkar festival, final year students used to teach their juniors (knowledge transfer) and conduct several rounds of competitions, and the final round of competitions are held during 4 day Avishkar+ Gnosiomania festival. The student representatives are finding difficulty with final year volunteers due to the upcoming placement session. Also they want more time to prepare simulator or virtual labs for the competitions.

Therefore, it is requested that a notification may be issued for postponing AVISHKAR 2020 from September 10-13, 2020 to October 31- November 3, 2020.

Submitted for your kind approval and necessary action.
