Advertisement No: GISMY01/2022/Project Staff

Dated - 24.08.2022

Advertisement for the Post of Junior Research Fellow (On Contract) for DST India-European Union (EU) Consortium Research Project
“Sustainable Energy system for Achieving Novel Carbon neutral Energy communities (SUSTENANCE)”

Applications are invited from Indian nationals for the post of Junior Research Fellow (on contract) in the Department of Science and Technology (DST) India – European Union (EU) Consortium Research Project entitled “**Sustainable Energy system for Achieving Novel Carbon neutral Energy communities (SUSTENANCE)**”. This research project is funded (Indian-side) by DST, Government of India.

The duly completed application on prescribed format along with the hard copies of all supporting documents must reach to: **Office of the Dean (Research & Consultancy), Motilal Nehru National Institute of Technology Allahabad, Prayagraj - 211004** on or before **24.09.2022** (extended date). The Envelope should be superscribed as "Application for the post of JRF (on contract) in DST (India) - EU Research Project: SUSTENANCE". A soft copy of duly completed application form along with the scanned copies of all supporting documents should also be sent to the email id: ssmyadav@mnnit.ac.in [email id of Dr Manohar Yadav, GIS Cell] with the subject of the email as "Application for JRF (on contract) in “SUSTENANCE Project” on or before **11:59 PM (IST), 24.09.2022** (extended date).

Description and Objectives of the Project: The aim of this project is to demonstrate the Techno-Economic viability of local energy systems: solar photovoltaic (PV) system for the scientific and industrial applications, such as water pumping system for domestic water supply. This will involve site survey, design, installation, testing and commissioning of complete set-up of solar PV and water pumping systems. The algorithms and software will be developed for the site suitability analysis, energy management model, Techno-Economic viability analysis of the model, etc. for the complete experimental set-up.

The position is purely temporary and will be governed by the funding agency rules & service conditions of Office of the Dean (Research & Consultancy), MNNIT Allahabad.

Number of Position : 1 (One)

Essential Qualifications : M. Tech. / M.E. in with specialization in Power System/Control & Instrumentation/ Power Electronics & Drives/ Renewable Energy/ Energy Engineering/ Geoinformatics/GIS & Remote Sensing having qualified GATE examination in engineering disciplines.

Fellowship : Rs. 31,000/- per month (Consolidated) + HRA (as per the institute norms)

Desirable Experience : One year research experience in the related area of project

description/objectives along with publication, etc. Proficiency in software development/programming skills.

Other Benefits : Accommodation may be available as per the availability and the Institute norms. **Candidate selected for the JRF may register for Ph.D. if eligibility conditions, as set by institute, is met by him/her.** Facility of yearly leave, carryover leave, medical benefits etc. may be available as per applicable rules of the project staff. **The candidate selected as JRF will get an opportunity to work with the experts from other project partners:** IIT Bombay, IIT Kharagpur, IIT Delhi, IISc Bangalore, European universities (Aalborg University, Denmark; University of Twente (UT), Netherlands) and industry partners, etc.

Upper Age Limit : 28 years as on the last date of application (The upper age limit is relaxable up to 5 years in the case of candidates belonging to SC/ST/OBC/PH and women candidates)

Tenure of Appointment : The appointment will be made on-contract basis for six months initially, which on satisfactory performance, as reported by PI/Co-PI of the project will be renewed for additional six months. After completion of first year, from date of joining in the project, candidate has to deliver a presentation and report before the evaluation committee. On satisfactory report by the committee, appointment (contract basis) may be extended for another year. The performance of candidate will be evaluated and appointment (contract basis) may be extended on every subsequent year till the end of project.

Additional Information: The candidate is expected to travel between MNNIT Allahabad and project demonstration site located in Barubeda village, Jharkhand. The mode of travel could be rail and road transport and site visit is expected to be at least two times in a year.

Note:

1. The applicant will be responsible for the authenticity of information, other documents and photographs submitted.
2. The Institute reserves the right to accept application at any time, and consider candidates of exceptional credentials without applications.
3. Qualification and experience may be relaxed by the Institute at any point of time for otherwise exceptional candidates. Mere, possessing the prescribed qualification does not ensure that the candidate would be called for Interview. The Candidates will be shortlisted on the basis of merit and need of the project.

Mall

4. Shortlisted Candidates will be informed by e-mail about the interview date. So, the candidate must provide valid E-mail IDs in their applications.
5. Shortlisted candidates have to present themselves for the interview on the interview date with updated CV, publications if any, and original and attested photocopies of mark sheets/ certificates in support of their academic qualifications. However considering the current situation of COVID-19, the mode of interview will be informed to the shortlisted candidates via the email id provided in the application form.
6. Applicants in employment (private, government or any other organization) are required to submit a “**No Objection Certificate**” from the employer at the time of interview.
7. No TA/DA will be paid for appearing in the interview (In case of interview in physical mode)
