Subject:-   **Rajya Sabha Unstarred Question No. 2432 for 22.03.2023 –reg.**

Dear Sir/ Madam,

Please refer to your e-mail dated 17.03.2023 on the above mentioned subject. In this connection, the desired information pertaining to MNNIT Allahabad is as follows:

(a)   **whether Government keeps the details of the students being selected by the private institutions in the Country as part of placement course in the employment and job sector;**

Motilal Nehru National Institute of Technology Allahabad, Prayagraj is as National Importance as per the NITs Act 2007. The Institute has a well established Training and Placement Office (TPO) responsible for conducting all Training and Placement activities and providing round the clock placement and Internship facilities to the students of the Institute. The details of the placements is available in the Institute website link:- https://tpo.mnnit.ac.in/tnp/index.php

(b)   **if so, the details of the students selected during the last two years, year-wise, institute-wise and company-wise**

Enclosed as per **ANNEXURE-I.**

(c)   **the manner in which the impediments in the selection process of students are being removed by these private institutions, company-wise; and**

The recruitment procedure adopted by the Institute is available in the Institute website link:- https://tpo.mnnit.ac.in/tnp/company/recruitment-procedure.php

The same is also enclosed as **ANNEXURE-II.**

(d)   **the other reformative measures being taken by Government in the field of education and employment considering the bright future of the students?**

Institute provides various scholarships and good placements opportunity for the students studying in the MNNIT Allahabad is an Institute with total commitment to quality and excellence in academic pursuits. The Institute is well known for its Labs and technical education and with the emergence of new

technologies many new labs in the Institute has been setup. All the labs in different departments are regularly upgraded in terms of new equipments (Hardware and Software).

MNNIT regularly organizes career awareness programs and interactions for final as well as pre-final year students with respective branch mentors and student placement coordinators. These interactions ensure that the students are regularly motivated and their potential is properly channelized into the right directions.

Regular interactions ensure that the students are regularly motivated and their potential is properly channelized into the right directions. In these session, the interests of the students are first taken into consideration, then other variables like aptitude, skill-set, academics etc are factored into the equation. Thus providing every student, a realistic view of their goals. Due to these efforts, our students not only go for good regular jobs but also for higher education, entrepreneurship and civil services, all according to their potential.
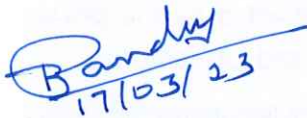

The institute also holds regular seminars, webinars, workshops, and pre-placement interactive sessions from industrial giants. Short term courses on VLSI design, Robotics and Automation, Autodesk Inventor etc ensure that the students are at par with the latest technologies.

The details of the Career & Communication Workshops is available in the Institute website link:- https://tpo.mnnit.ac.in/tnp/company/career.php

This is for your kind information please.

Thanking you.

Yours truly,
