Message from the Director

The landscape of digitalisation is being drawn by breakthroughs in e-communication, e-commerce, and the ever-increasing deployment of the information & communication technology. The new world economic order is based on high-speed networks, technological innovations and knowledge driven production. MNNIT Allahabad has developed an ecosystem through continued commitment towards improvement in teaching-learning process, value-oriented education and advances in the emerging domains of technology and management.

Our School of Management Studies is educating and training management aspirants for last 25 years with a proactive approach towards the changing needs of the business world. Every effort is made by dedicated faculty of the department to equip the students with the requisite individual, interpersonal, and academic excellence. Our alumni have also created a coveted niche in the industry and made their Alma Mater proud.

With immense pleasure I acknowledge the faith of the industry in us, which is evident by their visit to our campus for recruitment year after year.

I am confident that current batch of MBA students will continue to live the legacy of the Institute by playing a significant role in growth of knowledge driven organizations.

Prof. Rajeev Tripathi
Director, MNNIT Allahabad

Message from the Head of the Department

Present situations have impelled the academic institutions to turn over a new leaf and foster a hybrid culture laced with technology to enable learning and student engagement remotely. We at SMS have kept pace with the changing times to incorporate blended mode of teaching, learning, industry interactions and research.

Aligning with the vision of the department to foster technically trained and managerially apt workforce, SMS has drawn strategies of developing substantial understanding of the core management subjects, providing flexibility of dual specialization & open electives; exposing students to field surveys & industry internship; and lastly providing students an opportunity to submit dissertations on real life project works involving field surveys and desktop research as part of the curriculum. Constant blend of academic excellence and industry interface enables the students to hone skills which prove to be an asset for any organization.

There are ample opportunities for the students to coordinate and participate in a variety of co-curricular and extra curricular activities taking place at department and institute level. Emphasis at SMS is on developing versatile individuals grounded with the values of collectiveness and integrity. Our faculty is highly motivated and skilled to provide rigorous professional education and explore innovative venues for research and creative inquiry.

It is our pleasure to present to you the batch of (21-22) SMS. Enthusiastically I invite the industry fraternity to our placement process. I wish our MBA students all the best for their future endeavors.

Dr. Vibhuti Tripathi
Head of the Department

The Institute

Motilal Nehru National Institute of Technology Allahabad, Prayagraj is a pace setting institution with deep commitment to quality and excellence in education. Established in 1961, presently MNNIT is proud to offer 09 B.Tech., 25 M.Tech. MCA, MBA, MSc and doctoral programs in all disciplines of engineering, applied sciences, social sciences and management, to around 4000 undergraduate, 2000 post graduate and 200 doctoral students, through fourteen academic departments/ schools/ cells. The students take admission, in this Institute not only from different states in India, but also from many foreign countries including SAARC countries, middle east, Asia, Europe, USA and New Zealand. The infrastructure of the Institute is at par with the best Institutions in the country. The Computer Centre has state-of-the-art computing facilities, departments have modern laboratories and the library houses print as well digital learning resources. Most of the class rooms are air conditioned and equipped with multimedia pedagogical tools. The entire campus, including hostels, executive development centre and residential area is connected with 1.25 Gbps internet connectivity. The Institute is spread over in an area of 222 acres on Lucknow-Allahabad highway near the banks of the river Ganga in Teliarganj locality. The campus is divided into three parts: (i) Academic Campus housing, Academic and Administrative Building, Bank, Sports field, Tennis Court and Gymnasium, Hostel for U.G. first year students, P.G. Students and Multipurpose Hall. (ii) Hostel area housing, hostels for male students, Student Activity Centre and Industrial Estate. (iii) Residential area housing, faculty and staff quarters, Executive Development Centre, Girls' hostel, International hostel and Health Centre. A quiet and congenial atmosphere for studies and research at the highest level prevails in the campus.

INFRASTRUCTURE

It contains a Reading Hall in which 175 readers can be accommodated at a time, a Stack-room of 470.42 sq.m having a collection of about 1,05,157 (approx) books. A Bound Periodical section is also having a collection of 17,651 (approx) volumes thousands of e-Journals and 15,064 e-Books can be accessed 24X7. through e-Shodhsindhu Consortium. A dedicated facility in the form of e-Resources Access Room with 15 computer terminals is also available for accessing the e-resources.

Computer Centre :

Computer centre is equipped with 300 state of the art machines with Windows and LINUX environment. The Centre provides Email, Web, DNS, FTP, Internet access, HPC and other services 24 hours and 365 days a year. Various advanced and special purpose software for all the campus users are provided by the centre. 24x7 internet connectivity with 1200 Mbps [1000 Mbps(1:1) from NKN (through Railtel), 200 Mbps (1:1) from BSNL] is provided using optical fiber backbone covering departments, student hostels and residential areas.

Hostels :

Eight hostels for boys, including two separate hostels for MBA students & other PG students.

Four hostels for girls including one hostel separately for MBA student & other PG students.

Extra Curricular Activities :

The Institute provides ample avenues for the development and nurturing of creative and other talents in the students through the Student Activity Centre (SAC).

- 12 student clubs and two Gymkhana one each for girls and boys
- Fully furnished Basket Ball, Volley Ball, Badminton, Tennis Courts
- Skating Rink; Athletics Ground; A variety of indoor games.

Amenities :

Canteens

- There is one air conditioned canteen and two open air canteens on the campus
- Each hostel has one canteen besides its own mess and common room

Banks

- There are full branches of State Bank of India and Bank of Baroda. Number of ATMs are installed across the campus by both the banks.

Health Centre

- Full time doctors and a large number of visiting specialists from different medical fields are available in Health Centre. It is an out-patient centre catering the medical need of approximately 5000 students and all members of faculty and staff & their dependents. A number of hospitals and pathologies are empanelled with the Institute where students can avail Cashless facilities/treatment.

SCHOOL OF MANAGEMENT STUDIES

School of Management Studies is among the most emerging management institutions in the country, engaged in preparing the students to face the challenges in their careers. The guiding philosophy behind all academic activities of the department has been to inculcate professionalism in management teaching by interweaving global perspective, application of modern technology, training and state-of-the-art pedagogy. SMS has embarked upon new initiatives, linkages with corporate world and the international academic community, improving the quality of the programmes offered, international recognition, intellectual wealth creation and ability to attract quality resources, clients and constituents.

Established in the year 1996, School of Management Studies offers Two-years Full-time Master of Business Administration (MBA); Executive MBA program and PhD in various disciplines of management. The faculty is highly qualified and motivated to charge the students with true spirit of enthusiasm and affirmative attitude to adapt to changing exigencies. Many faculty of the department have international exposure in teaching and post doctoral research.

Department Vision :

To foster globally competitive, quality human resource and to nurture excellence for achieving sustainable development and enrichment of life.

Department Mission :

1. To inculcate and promote knowledge, skills and creativity among future managers to excel with competence, integrity and social responsibility.
2. To create and disseminate novel research in the areas of social and economic relevance.

Ranking :

The department has grown many folds and acquired a position of reverence among business schools of repute.

- Ranked 6th in BT-MDRA 2020 Best B School (Government) with Best Value for Money
- Ranked 70th in BT-MDRA 2020 Best B School Ranking

Programmes Offered :

Master of Business Administration (MBA): Two-year Full-time with Dual Specialisation

Executive MBA: Three-years Part time with Dual Specialisation

Doctoral Program (PhD) in Management

Master of Business Administration (MBA)

SMS offers a Two-year Full-time Post Graduate Degree Program in Master of Business Administration (MBA), providing the advantage of dual specialisation with equal weightage to each. The specialisations offered are marketing, finance, human resource, operations and systems management.

The total current intake is 77. Aspiring candidates are short listed on the basis of CAT percentile and Group Discussion and Personal Interviews are conducted for selection.

Program Highlights

Dynamic Curriculum: The curriculum at SMS is constantly updated in tandem with the changing business scenario and constant interactions with experts from the industry.

Group Learning: Dedicated sessions in behavioral dynamic laboratory, along with discussions and presentations provide free exchange of ideas among students.

Project Work: Project work is under taken in every semester as a group activity in three semesters and individually in the fourth semester. Projects are research based with a focus on various social issues, market survey, in-depth industry analysis and application of management concepts and principles.

Research & Analysis: Students are exposed to a number of widely known research database of the Center for Monitoring Indian Economy (CMIE), EBSCO and software like Statistical Package for Social Science (SPSS).

Industrial Tours

To integrate interactive learning in the curriculum and bridge the widening gap between theoretical learning and practical exposure, School of Management Studies organizes annual Industrial Tour. Variety of industries in different sectors including manufacturing and services are visited by MBA students every year. These visits contribute towards analytical development of the students, they are exposed to current trends in the market, future scenario of the industry and adoption of new technologies in the industry. As a means of experiential learning students are exposed to corporate environment and get an opportunity to learn internal practical working methods and employment practices.

Industry Survey and Guest Lectures from Industry Professionals

A course on Industry Survey and Analysis (Research Based) is a part of the MBA curriculum in which students carry in-depth analysis of a selected industrial sector of their interest. In addition, the department also organizes guest lectures of Industry Professionals for the MBA students throughout the academic year.

Guest Lectures

Pre MBA Qualification of Students Batch 2021-23

CSR Activities of the SMS

SATYAVIJAY Scholarship

Prof Geetika, the founder Head of SMS, has instituted a Merit cum Means scholarship in the name of her parents. The scholarship has commenced from 2021-22.

The scholarship (Rs 50,000 per year) shall be awarded to the most meritorious and needy student of MBA second year.

Prof Geetika donated an automatic wheel chair to a differently abled student of BTech, in order to enable him to be self dependent. She has named this scheme as SAKSHAM, meaning capable. Donations may be made through Dean student Welfare office.

Students of MBA and faculty of the department participated in a unique activity to help poor villagers fight with hunger under United Nations MDG No. 2 'Zero Hunger'. A unique bank named 'Anaj Bank' was created.
