Chief Patron

Prof. Rama Shanker Verma

Director, MNNIT Allahabad

Patron

Prof. Ajay K Sharma

Director, NIT Delhi

Chairmen

Prof. R.M. Singh, MNNIT Allahabad

Head, Department of Civil Engineering

Dr. Kapil Kumar, NIT Delhi

Head, Department of Civil Engineering

Conveners

Dr. Priyaranjan Pal, MNNIT Allahabad

Associate Professor, Department of Civil Engineering

Dr. Anupam Rawat, MNNIT Allahabad

Associate Professor, Department of Civil Engineering

Dr. Ajay Kumar, NIT Delhi

Associate Professor, Department of Civil Engineering

Course Coordinators

Dr. Rahul Kumar Meena, NIT Delhi

Assistant Professor, Department of Civil Engineering

Dr. Ananth Wuppukondur, MNNIT Allahabad

Assistant Professor, Department of Civil Engineering

Dr. Mantu Majumder, MNNIT Allahabad

Assistant Professor, Department of Civil Engineering

Dr. Jayvant Choudhary, MNNIT Allahabad

Assistant Professor, Department of Civil Engineering

Dr. Kanika Saxena, MNNIT Allahabad

Assistant Professor, Department of Civil Engineering

Dr. Ajay K Mandrawalia, MNNIT Allahabad

Assistant Professor, Department of Civil Engineering

Dr. Bharat Rajan, MNNIT Allahabad

Assistant Professor, Department of Civil Engineering

Dr. Binit Kumar, MNNIT Allahabad

Assistant Professor, Department of Civil Engineering

ADDRESS FOR COMMUNICATION

Dr. Anupam Rawat

About MNNIT

Motilal Nehru Regional Engineering College was founded by Pt. Jawahar Lal Nehru in 1961 as a joint effort of Govt. of India and Govt. of U.P. in accordance with the scheme of establishment of Regional Engineering College. It has constantly grown and crossed many milestones during its journey in more than four decades towards academic excellence. Presently, it has been reincarnated as Motilal Nehru National Institute of Technology, a Deemed University in 2002 with a view to set higher standards of academic performance, become a lead Institution with international recognition in technical education. Its basic aim is to provide high-quality technical education and research. It offers nine undergraduate courses and 22 postgraduate courses in engineering and technology, besides MBA and MCA and Doctoral Programmes in wide areas of specialization. The institute possesses modern facilities and offers a congenial environment for research and development activities in almost all the major fields of engineering.

About NITD

National Institute of Technology Delhi (NITD) is one of the thirty-one NIT (s) established in the year 2010 by an Act of Parliament. The Institute has been declared as an Institute of National importance.

NIT Delhi is an autonomous Institute which functions under the aegis of Ministry of Education, Government of India. It aims to provide instructions and research facilities in various disciplines of Engineering, Science and Technology, Management, Social Sciences and Humanities for advance learning and dissemination of knowledge. The Institute has secured a remarkable NIRF 45 rank in 2024 among 4000 engineering colleges in India.

About the Department of Civil Engineering

The Department of Civil Engineering MNNIT, Prayagraj offers B.Tech., M.Tech., Doctoral programmes. M.Tech. Programme is offered in Structure Engineering, Geotechnical Engineering, Environmental Engineering and Transportation Engineering. The Department is also a recognized QIP (Quality Improvement Program) Centre for Post Graduate studies. Departmental laboratories are equipped with modern testing equipment and other facilities. The Civil Engineering Department actively promotes and organizes from time-to-time advance special course and as well as Summer Training programmes.

5-Day Short Term Course on Advanced Materials for Sustainable Infrastructure (AMSI-2025)

**January
27-31, 2025**

Jointly Organized by:

**Department of Civil Engineering
Motilal Nehru National Institute of Technology
Allahabad,
Prayagraj (U.P.)- 211004, India
&
Department of Civil Engineering
National Institute of Technology Delhi,
Delhi – 110036, India**

BACKGROUND

The Short-Term Course (STC) on Advanced Materials for Sustainable Infrastructure is a specialized program designed to elevate the expertise and proficiency of faculty members and students in the field of Civil Engineering. This course focuses on the latest advancements and cutting-edge technologies in smart building materials, emphasizing sustainability and innovation. Participants will gain in-depth knowledge of high-performance materials that contribute to the durability, efficiency, and environmental compatibility of modern infrastructure. Through a blend of theoretical insights and practical applications, the STC aims to equip attendees with the skills necessary to implement sustainable practices and drive the future of civil engineering. It is also proposed to give hands on experience of design of sustainable infrastructure. This will help the participants to improve their teaching, research and design capabilities in these areas.

SPEAKERS

Faculty from MNNIT Allahabad and eminent experts from premier institutions/ research organizations IITs, NITs and form industries will deliver lectures.

ELIGIBILITY

The candidate should have a PhD/M.Tech/B.E./ B.Tech./ Diploma in Civil (completed or ongoing) Engineering or equivalent. Preference will be given to the candidates having higher qualifications.

COURSE FEE

A nominal course fee will be charged from the participants. They have to pay online /NEFT /RTGS /UPI to account as given below and duly filled registration form latest by January 25, 2025 to the course coordinator at (ajaym@mnnit.ac.in).

GST No. 09AAAJM1116B2ZR

Account Name SNFCE MNNIT Allahabad
Account No 10424975574
IFSC Code SBIN002580
Bank Name SBI, MNNIT Allahabad
SWIFT Code SBININBB828

Course Fee (Including 18% GST)

Research Scholar/Students Participants from MNNIT Allahabad and NIT Delhi	Rs 118.00
Industry/ Govt. Organization/ Research Scholar/Students Participants from Academia of Other Institute	Rs 1180.00

- The Registration Fee is Non-refundable
- Please mention "11/Short Term Course AMSI-2024/CED/2024-25/SNFC" as a remark while transferring the registration fee.

VENUE

The course will be conducted online through virtual sessions on platforms such as Google Meet or Microsoft Teams.

IMPORTANT DATES

Last date of Registration	January 25, 2025
Intimation about selection	January 26, 2025
Course Duration	January 27–31, 2025

REGISTRATION FORM

5-Day's Self Sponsored Short Term Course

on

Advanced Materials for Sustainable Infrastructure

January 27–31, 2025

(AMSI-2025)

(Online Mode)

1. Name: _____
2. Designation: _____
3. Date of Birth: _____
4. Category of Participation:
(a) Research Scholar/Students Participants from Academia

(b) Industry/ Govt. Organization _____
5. Organization: _____
6. Address for Communication: _____

7. Email: _____
8. Telephone/Mobile No.: _____
9. Gender: _____
10. Details of Registration Fee:
D. D. No./NEFT/UPI No: _____ Date: _____
Bank: _____
Amount (Rs): _____

Date:

Signature of Applicant

Interested candidates can pre-register by sending the filled application form by e-mail in advance to the course coordinator, if they anticipate delay in sending the hard copy.
