

About Institute

Motilal Nehru National Institute of Technology Allahabad, is an institute with total commitment to quality and excellence in academic pursuits. The institute has been granted the status of Institution of National Importance on AUGUST 2007. It was established as Motilal Nehru Regional Engineering College (MNREC) in the year 1961 as a joint enterprise of Government of India and Government of Uttar Pradesh. MNREC was transformed into National Institute of Technology fully funded by Ministry of Human Resource Development, Gov. of India on JUNE 2002. The institute offers B.Tech, M.Tech, Ph.D., M.C.A, M.B.A., M.Sc. degrees in various disciplines of sciences, Engineering, Technology and Humanities.

About Training Programme

This one day training programme is a part of scientific social responsibility activity of SERB. The objective of this training program is to disseminate information, and knowledge about the research work ongoing in our laboratory. It is aimed to give training on various facilities available in the PI's laboratory, Department or Institute that can be used towards pursuing research on nanostructures and their biological applications.

Eligibility

The training programme is open to researchers, JRF, SRF, PG and PhD research scholars. Selection shall be on first come first serve basis, with preference to students whose research interests align with the theme of the training programme and allied fields.

Registration Procedure

- ❖ Total number of seats is limited to 10.
- ❖ Interested Participants can register themselves through given link <https://forms.gle/S8YLEB7gtuDHgjDK9>
- ❖ There is no registration fees
- ❖ List of participants will be informed through email.
- ❖ Certificates shall be issued to all participants after successful completion of the training.
