

Dear Students

Greetings from the Administration!!

You may be aware of the unfortunate incident involving a recent clash between two groups of students including Afgan students. Such incidents do not match with the ethos of the Institution. A handful of unscrupulous elements are trying to take the advantage of this situation to create division and hatred amongst the students and thereby making attempts to create unrest in the campus. Please beware of such rumormongers and do not fall prey to the dirty traps of such individuals. We urge you to maintain peace and harmony in the campus in view of the forthcoming cultural festival "Culrav" and the ensuing end-semester examination.

We strongly believe that students of MNNIT shall exhibit exemplary maturity to deal with such external forces trying to create disturbances. You are advised to concentrate on your studies and perform your best in the end-semester examination.

Wish you all a fabulous mid-semester break and a colorful HOLI !!

Office of the Director
